580. If the contract is based upon an estimate of costs without the contractor assuming ~~[illegible]~~ to guarantee the exactness of the estimate ~~shall be finally correct~~, and it proves that the work ~~[illegible]~~ is not practicable without largely exceeding the estimate, ~~but~~ and if the contractor terminates the contract for this reason, the contractor may [illegible] [illegible]

1st) if guarantee exactness [illegible] ... is bound.

2) does not guarantee the estimate — the estimate exceeds by less than 5%, the hirer of work bound to pay.

3) does not guarantee — the estimate exceeds by more than 5%, he can claim the cancellation.
