

Dr. James in matter of responsibility of the carrier are adopted.

Number II. - Section 650 (and other similar): the final agreement with Dr. James are adopted.

Section 736: adopted except that "registered" shall be substituted by "and which is registered" ;

Sections 757 and 764: adopted;

Section 765: Phya Chinda has reminded that, as soon as in the meetings of the Commission when discussing mortgage, his preferences have been for a longer delay than five years for the limitation^{at} interests to be enforced at the same time as the capital itself; the question is connected with that of section 369 of the General Part which has been sanctioned now by the King.

Number III. - The Commission passes the new sections in the Title of Warehousing, but^{with} an alteration in section 828 bis which shall read henceforth:

"When the warrant^r is indorsed and delivered to the pledgee, the depositor and the pledgee shall certify on the warrant that they have made on the warehouse receipt the mention provided in the foregoing section."

Number IV. - The Commission decides :

a) to give satisfaction to Mr. R. D. Craig by adopting a section for the protection of the Land Record Department; but
