

No. 6/259

Bayadai Palace,

12th. September 1923.

To

Prince Krom Luang Nagara Svarga Binit
and the Members of the Revising Committee for
the Civil and Commercial Code.

I have received the letter dated 7th.
inst. concerning the period of duration of
lease of immovable property to be provided
in the Civil and Commercial Code and asking
as to how long it should be provided, I have
noted the contents of same.

I am of opinion that as the Committee
deem it advisable to fix a period of 99 years
instead of 20 years already provided in the
original Draft it is quite in accordance with
the public policy of Siam, and that a period
of 99 years in case of lease be provided in
the Code accordingly.
