

the signature drawn on the bill is forged. But afterwards a conclusive evidence is brought that the signature is genuine. Interest can be claimed by the holder for the period during which the bill has remained unpaid: viz. if the amount of the bill (baht 1,000) is paid two months after its maturity, A shall receive Ties. 12. 50 interest. (Supposing the rate of interest to be $7\frac{1}{2}\%$ because not otherwise provided in the bill).

According to the 2nd. paragraph of the section, A is entitled to be paid besides the expenses of presentation of the bill in view of payment, and the expenses for protest and for notice of dishonour.
