

NOTE FOR THE REVISING COMMITTEE

Sections 1124, 1125, 1126.

The Siamese members of the Department of Legislative Drafting are afraid that the word copy in these sections is not clear enough.

It is proposed to say, instead of the word "copy":

in section 1124: "..... a duplicate-bill of the same tenor".

in section 1125: ".....duplicate-bill".

in section 1126: ".....duplicate-bill.
