

residence. This is a tender in conformity with the obligation.

II. — *A orders from B a motor car to be delivered at A's residence. B informs A that the car is at A's disposal in the godown of a Navigation Company. This is not a tender in conformity with the obligation.*

III. — *A contracts to send men to repair the roof of B's house. On the appointed day A send the men to B's house with the necessary tools and apparatus. This is a tender in conformity with the obligation.*

If A comes alone and merely states that he is willing to begin work, this is not a tender in conformity with the obligation.

IV. — *A contracts to supply a rice mill with so many boat loads of paddy every week, delivery to be made at the mill's wharf. On the last day of the first week, during business hours, A brings to the wharf the agreed number of boats loaded with paddy of the agreed quality. This is a tender in conformity with the obligation.*

If A only informs the rice miller that the boats are at his disposal somewhere in the river, or if he brings the boats to the mill's wharf after business hours, this is not a tender in conformity with the obligation.

294. — From the time when the creditor is in default, the following rules apply ;

1) If performance of the obligation becomes impossible owing to *force majeure*, the creditor is not discharged from his reciprocal prestation, if any.

2) If the obligation is to pay a sum of money, such sum ceases to bear interest.
